Vincent Looks Up At the Night Sky

Monica Luona Mendoza

In the darkest of places
Beauty still finds me
Though in profound depths
I look up and see—

Stars of brightest gold
The moon with her gentle glow
A sky of deepest blue
The town asleep below

This sky is not static
It whirls, it blends, it dances
Clouds, moon, and stars mingle
Unpredictable yet balanced

In the darkest of places
I can find beauty
It takes my breath away
All this I see
